Product Portfolio
Under Tight Deadlines - QUICKSHIP Delivers
GE Current’s Quickship portfolio is a collection of the most common LED fixtures from our Indoor, Outdoor and Industrial portfolios.

Contractors can rest assured we have their backs, even for the most demanding application or architect. With faster turnarounds, optimized ship lanes, missing tight project deadlines are a thing of the past.

QuickShip Delivers!!

Order Requirements
1. Lot sizes of up to 200 pieces automatically qualify for 48 Hour Ship Items.
2. Order must be clean and not on any type of block when entered.
3. Order cannot have non-QuickShip items and require complete delivery.
4. Order ships in 48 hours or less from time of order.
