

## ALL-WEATHER® MEAT MARKER®

ALL-WEATHER® MEAT MARKER®

### Meat processing marker

ALL-WEATHER® Meat Marker® is a high visibility solid marker designed to write on all types of animal carcasses during meat processing in USDA inspected processing plants. Available in red, blue or purple. All three colors are registered for use in USDA inspected plants and are safe for all food contact. ALL-WEATHER Meat Marker is 33% larger than competitive products and our durable, water resistant holder keeps the marker off of the user's hands and clothing, allowing for maximum usage and greater economy.

### Green Benefits

- ✓ No SARA 313 Filing Required
- ✓ No CA Prop 65 Warning
- ✓ Bio-Renewable Paint Formula
- ✓ Recycled Cardboard Holder
- ✓ Low VOC
- ✓ ROHS Compliant

62101 ■ Blue      62102 ■ Purple      62103 ■ Red

## ALL-WEATHER® PAINTSTIK® AND HOT CLIMATE PAINTSTIK®

### Livestock marking marker

America's first choice in temporary livestock marking for over 40 years. Weather and fade resistant colors mark wet or dry animals. The HC Paintstik® hot climate paint formula is blended to withstand temperatures, often found in extreme hot climates, ranging up to 130+°F (54+°C). Both formulas are non-toxic, safe for all animals and made in America. Ideal for tail chalking cows in heat detection, sow breeding, animal health management, sorting, inoculating and much more.

### Green Benefits

- ✓ HMIS Health Code of 0
- ✓ Not an OSHA Hazard
- ✓ No SARA 313 Filing Required
- ✓ No CA Prop 65 Warning
- ✓ No WHIMIS Control
- ✓ Recycled Cardboard Holder
- ✓ Bio-Based Renewable Paint Formula
- ✓ Low VOC
