

Heavy Duty Electrical Box Hanger

APPLICATIONS

FEATURES

- Supports 4" or 4^{11/16}" octagonal or square boxes.
- Bendable ends enable mounting of 1^{1/2}" or 2^{1/8}" deep boxes in an instant. No tools or cutting is required to adjust bar.
- Self-centering feature positions box on center without measuring.
- Independent support wire can be attached for extra stability. Can be screwed to T-bar for fixing location.
- **Static Load Capacity:** 70 Lbs.
- Accessories available:
 - Box mounting clip for multiple box installation
 - Extender brackets for installation with 1^{1/2}" extension ring
 - Spacer shims for fine adjustment of box on unique applications
