

Wesco is your Source for Medium Voltage Underground Material

Wesco is your source for medium-voltage underground material. Offering comprehensive inventory, custom kitting, and extensive product knowledge, Wesco is a master stocking distributor of electrical power distribution equipment for all of your medium voltage project needs.

Product Expertise

Specializing in underground medium and high-voltage material packaging, Wesco's medium voltage team provides customized sizing, kitting, and packaging services for complex projects, highly specialized needs, and essential distribution components.

Wesco offers a full range of medium-voltage underground distribution materials, overhead line products, and fiber optic construction materials. We're proud to service the electrical wholesale market including manufacturers, distributors, contractors, and utilities.

Services We Offer

Wesco offers a wide variety of value-added services to meet your electrical power distribution needs:

- Custom accessory kitting
- Technical support
- Project packaging
- Wire and cable management
- Emergency response
- Broadband, Wireless and FTTx

Suppliers:

Ingenuity delivered.

Products We Offer

Medium Voltage Underground Distribution Material

- 15KV-35KV 200A Loadbreak, deadbreak elbows and cable accessories
- 15KV-35KV 600A Deadbreak elbows and cable accessories
- 15KV-25KV 200A Fused elbows and fuses
- 15KV-35KV Junction bars
- 15KV-35KV Vault stretchers
- 15KV-35KV Modular bolted T splices
- 15KV-25KV Separable cable joints
- 15KV-35KV Premolded Rubber splices
- 15KV-35KV Modular live front terminations
- 15KV-25KV Single-piece live front terminations
- 15KV-35KV Equipment bushings
- 5KV-69KV Cold applied and heat shrinkable live front terminations
- 5KV-69KV Cold applied and heat shrinkable splices
- 15KV-35KV 200A and 600A Arresters
- 5KV-35KV Copper and aluminum cable
- Anchoring material
- Ask about more
- Cable repair and re-jacketing
- Compression connectors
- Cross-bonding systems
- Cutouts
- Fault and voltage indicators
- Fiber and accessories
- Formed wire products
- Ground shield adapters and cable sealing kits
- Heat shrink tubing
- Hot line tools and safety gear
- Insulator hardware
- Insulators
- Mid-point grounding kits
- Opgw and accessories
- Overhead conductors and accessories
- Overhead line products
- Pad-mount transformers
- Pole line hardware
- Poles and cross arms
- Precast and fiberglass equipment pads
- Reclosers
- Sectionalizing and splice cabinets
- Shear bolt connectors
- Static and guy wire and accessories
- Switchgear
- Transformers
- Ask about more

Overhead Line Products

- Anchoring material
- Cutouts
- Formed wire products
- Hot line tools and safety gear
- Insulator hardware
- Insulators
- Opgw and accessories
- Overhead conductor
- Overhead conductor accessories
- Pole line hardware
- Poles and cross arms
- Reclosers
- Static and guy wire and accessories
- Switchgear
- Transformers

Fiber Optic Construction Materials

- Aerial hardware
- Cable blowing equipment
- Cable pulling trailers
- Fiber optic cable
- Fiber optic conduit
- Fiber-glide rope
- Handholes
- Inner duct
- Manholes
- Maxcell
- Plenum duct
- Pulling lubricant
- Pvc, steel and fiberglass conduit
- Sign systems
- Under bridge systems
- Ask about more
