Contract # CNR01238
Expires October 2019

WESCO is a leading distributor of electrical construction products, electrical and industrial maintenance, repair, and operating (MRO) supplies, and is the nation's largest provider of integrated supply services.

We maintain relationships with over 25,000 suppliers, and serve more than 80,000 active customers worldwide. Major markets include commercial and industrial firms, contractors, government agencies, educational institutions, and utilities. With nine distribution centers and approximately 500 full-service branches, WESCO provides national coverage with local service.

Communications Supply Corporation (CSC), a subsidiary of WESCO Distribution, distributes a full range of data communications and security solutions. CSC and WESCO form the largest electrical, security and data communications network in North America.

Our sales force has a passionate commitment to understanding your day-to-day and project needs and will strive every day to get you the best products, the most robust technical expertise and the most cost-effective procurement solutions available.
