## UTILITY LINE CARD

Supported by the utility industry's leading suppliers, WESCO's offering meets your product and service requirements. We coordinate branch and supplier resources locally to help meet your needs and make your daily operations more productive and efficient.

### **Investor-Owned Utilities (IOUs)**

WESCO supports IOUs with access to a broad range of products and suppliers to keep plants and T&D networks operating efficiently. WESCO is positioned to support IOUs' continuing evolution of grid automation and hardening, facility security, alternative energy integration, and transmission capacity expansion.

### **Public Power**

WESCO can help municipalities and co-ops keep their plants and T&D networks operating at peak capacity. Whether your supply model is based on multi-year contracts, spot purchasing, or government schedules, WESCO can fulfill your material needs on time and in policy.

### **Contractors**

WESCO is focused on delivering the products contractors need to support building and maintaining utility infrastructure. Buying through a local branch or online through our eCommerce site, contractors have access to the complete suite of WESCO utility, MRO, tools and safety products.
